Re: Bernard Allen Memorial Emergency Drinking Water Fund Eligibility
Busick Rd Site – Site ID # 2850

Dear Mr. and Mrs. Hankins,

We are in receipt of your affidavit regarding Household Income Verification and have determined that you *are not* qualified to receive assistance from the Bernard Allen Memorial Emergency Drinking Water Fund. It is the policy of the Division of Waste Management to return the affidavit after review and qualification. Enclosed you will find your affidavit.

The Inactive Hazardous Site Branch (IHSB) of the Division of Waste Management has reviewed your site information as well as your affidavit and has approved you to receive funding through the IHSB funds. The contractor has been contacted regarding the Point of Entry filter system (POE) and will contact you to coordinate installation. Should you have any questions, please do not hesitate to contact me at (919) 508-8573 or Vincent.Antrilli@ncdenr.gov. I will be out of the office between August 5th, 2011 and September 6th, 2011 so if you should have any questions during that time, please contact Charlotte Jesneck at (919) 508-8460.

Sincerely,

Vincent Antrilli, Jr.
